

Dear Caroline & All -

We received the "local" papers and I read the Tribune & M-the Opinion before we started to study - I believe I forgot to say that we surely enjoyed the funnies you sent - We both sat on the bed & read them clear through ~~the~~ as soon as we got them. - I also got a letter from Eula & one from Midge to-day - Midge mentioned you had paid your taxes - What with your 300 - You forgot to tell me I guess -

Carrie I hope you are not very lonesome - I just can't bear to think of your sitting at home there alone - Mama you know our rooming house scheme well you know they have built so many new houses that they have rooms galore left over this year - The apartments are still hard to get however - I see by the Tribune that Glenwood plays Elliott - he must tell ~~for~~ us how it comes out - Did you

Excuse this - This is a section of  
a theme -

~~was~~ <sup>did</sup> not mind the fact that  
her burdens she must carry a much over  
loaded suit case, a sack of  
Graham crackers and the baby.  
Her bustling efforts were put forth  
if she could be sure the forth  
to make sure her other 3 ~~offspring~~  
be wedded offspring well  
safely out of danger.
